

## Alternative Gifts

Christmas. Birthdays. Anniversaries. Mother's Day. Father's Day. You have many opportunities to show someone you love how special they are. Why not honor them with an MBF gift of hope and healing to someone in the developing world? An unforgettable gift for everyone.

Consider these Alternative Gifts:

### **Malaria nets for a Malawi family**

**\$ 10**

Malawi is infested with deadly mosquitoes carrying the parasite that causes malaria. MBF's goal is to give hospitals enough nets to send home with new mothers and at-risk patients.

### **Vaccinations for children at a Kenyan mobile clinic**

**\$ 15**

Childhood vaccinations save lives. Our Kenyan mobile health clinic reaches the children at risk in the rural areas. We need more vaccines to keep up with the increasing need.

### **Medical supplies for one day clinic in DR Congo and/or Kenya**

**\$ 100**

Our busy primary care clinics in DR Congo and Kenya are in desperate need of medicine, supplies and equipment to keep up with demand. Hospital workers need this to do their job.

### **Nursing scholarship for one week in DR Congo**

**\$ 50**

Training nurses is our specialty. The IMCK nursing school in DR Congo provides a solid, Christ-centered education. Training in-country healthcare professionals is the best way to build sustainable healthcare systems. Train one nurse, save many lives.

### **Maternity and well-baby care in Malawi and Haiti**

**\$ 75**

In the majority world, one of every sixteen women dies in childbirth. Specifically, mothers and babies in Haiti and Malawi need our help now to get the care required to live.

### **Supporting Haitian hospitals and clinics**

**\$ 25**

We helped rebuild our partner hospital in Haiti after the earthquake. They now are trying to keep up with the overwhelming patient needs. We have also just opened a maternity clinic with a shortage of medical resources.

### **Where most needed**

Give a gift for MBF ministry and we will use it to fill an urgent need.

Your gift will make a difference—and remind everyone what really matters most. MBF will send a special gift card for you to present to your loved ones—one card for each gift!
