Holy God,

As the Bible prophesied, Jesus “died for us, and He descended into hell; the third day He rose again from the dead.” Through resurrected Jesus who conquered sin and death, we are open to the path of salvation.

But we often disregard the death of Jesus and the grace of resurrection, and because of our sinful nature, there are many times we fail to enjoy the true life of resurrection. **“Lord Jesus Christ, Son of God, have mercy on me. I am a sinner.”** Forgive our sins with redemption of the cross, recover our souls with the life of resurrection. So that even in the world towards death, we want to enjoy the life of resurrection, and walk together with the resurrected Jesus.

We pray in the name of Jesus Christ, Amen. (*1 Corinthians 15:3-4)

- **ASSURANCE OF PARDON**

LEADER: God has forgiven our sins through the blood of our Lord Jesus Christ. He has stripped of our old clothes and robed us in his righteousness. He has called us by name and made us his children.
